Students Requirements:

Students must be between aged 8 - 18 years in order to audition. Auditions are open to existing students & new students. While not mandatory, we highly encourage attending our Theatre classes in conjunction with this class to further develop techniques and skills.

Rehearsals for successful students start on **Thursday 10th September 2026**

All students must attend rehearsals every;

THURSDAY (TERM TIME) 5:45pm-7:45PM, BREASTON METHODIST CHURCH

Students in the class before are welcome to stay for the transition and are welcome to bring a snack/ food (please no nuts).

Rehearsals only occur during term time (unless stated otherwise). Please note, we expect students to be at **every** rehearsal. If you miss more than 3 rehearsals in a row, you will be asked to leave our show team with no refund given and potential fines will occur.

Our usual uniform policy is in place for rehearsals and all students are expected to arrive with their script and a pencil to every rehearsal. More details can be found in our student hub:

www.hazzatheatreacademy.com/studenthub

Once a scene, routine, or song has been blocked and directed, students are expected to learn their lines and choreography for the following week. This helps ensure rehearsals run smoothly and supports students in developing strong preparation habits and staying on top of their lines. Failure to comply may result in you being asked to leave the production with no refund given and potential fines will occur.

Tickets for the production must be purchased separately.

*You will be required to provide footwear and undergarments for the show due to health & hygiene reasons.

What happens if my child wishes to withdraw?

If your child decides not to continue with the production, please understand that withdrawing after rehearsals begin can significantly disrupt the cast, crew, and overall process. In such cases, the full show fee will still apply along with an additional £50 fine, and all scripts and rehearsal materials must be returned. Additionally, children who withdraw will not be eligible to audition for future productions unless there are exceptional circumstances. We appreciate your understanding, as your support is vital to the success and enjoyment of the entire production.

Student Selection:

Spaces in our show are determined solely by your audition performance. Current students will not receive special treatment or priority; everyone is evaluated based only on their audition. Once you commit to an audition, you cannot decline a role if it's not the one you wanted. Complaints about not receiving a role in the musical or regarding specific roles, will not be accepted under any circumstances and will jeopardise your current space in our school. By signing up for the audition, you acknowledge that your student may not be selected, regardless of their experience/ position within our school.

Successful students will be informed by Tuesday 8th September 2026 via email.
